"Bartleby's Books turned 22 this year and is located in the resort community of Wilmington, VT. The town has a sizable second home owner population which creates a heightened and diverse audience for author events particularly in winter and summer months. Bartleby's is situated in the center of downtown in a three-story building which we have worked to promote as a community center, hosting classes and offering space for healing practitioners on the upper floors. After suffering a devastating flood in August of 2011, Bartleby's is back open and newly renovated."
