Our online literary journal, an official member of the Council of Literary Magazines and Presses, features fiction, poetry, non-fiction "Our Stories", Writers' Craft Box- resources, tools and essays by qualified members of the field, original fine artwork and interviews with best-selling authors and diverse creative professionals. It is our personal touch, on everything from the feedback we give to our aesthetic to the lasting relationships we cultivate with our contributors, that distinguishes us as having a community-like atmosphere dedicated to a humanitarian approach to the arts. We value each individual writer and artist and what they bring to our publication. We aim to inspire, educate and stir the blood with powerful tales and powerful words. In our upcoming issues we hope to expand even further- stay tuned!
