Come in...and be captivated...

Welcome to ***the write place at the write time***. Imagine that you are seated comfortably in a chic café with the décor of your choice. In the time it takes you to consume the generous warm mug of coffee or tea cradled between your hands, you can step into another world, abandon your senses and delve into another space and time. You do this by allowing a mysterious stranger to pull up a chair across from you and tell you a story. Close your eyes, listen to the words in your mind and be swept away...

Ushering in Spring with Our Beloved Writers and Readers

Welcome to our spring issue! At long last, the frozen ground gives way to blossoms and new life. (***~Check back with us on June 22nd, for our one year anniversary issue!***)

This issue we have Alexandra Stoddard, internationally celebrated author, interior designer and philosopher, speaking to us about having "A Room of One's Own" and how to apply ourselves to our craft in a nurturing manner which betters our quality of life. We also have with us Michelle Poploff, Vice President of Children's books at Random House who gives the inside view of the children's market and provides insights to both writers and readers of children's

children's market and provides insights to both writers and readers of children's literature.

We have "Writer's Craft Box" which features writers' hints, tools and advice. Think of it as an arts and crafts box full of colors and inspiration... or an old toy chest discovered in the attic on a rainy day... This time we explore experimental writing, keeping open to fate, healing and learning through our myths, and also a great tool to give firepower to our inspiration. We have- drum roll please- finally assembled an ARCHIVE! Readers and writers can trace our artistic journey from the beginning and re-read the wisdom of writers such as best-selling novelists Janet Fitch, Alice Hoffman and more! We have a Feedback form which we *encourage* you to use and the results of last issue's **Writers' Contest!** for you to check out.

We are now listed on the Poets & Writers site (www.pw.org) under literary magazines. Clicking on our listing describes our publication, past issues, and our editorial focus.

Additionally you'll see an abundance of incredible art work. Special thanks to our featured artists and interview subjects. Embrace the spring and the enticing magic of a season of rebirth!
