Welcome to The Write Place At the Write Time. We are a quarterly on-line literary magazine providing thought-provoking, engaging stories to our readers and fellow writers. Our past and present writers range from the previously unpublished to well-published literary magazine writers, New York Times and Newsweek writers and also writers/ artistic contributors from the entertainment industry, including HBO. We value each and every one of our writers and what they bring to our publication. We aim to inspire, educate and stir the blood with powerful tales and powerful words built from the innate imaginative craft of creative writing. In our upcoming issues we hope to expand even further- stay tuned!
